Subject: The Danish tender for digital terrestrial television

Dear Mr Hermansen,
Dear Mr Hagn-Meincke,

Based on your letters of 12 October 2007 and 24 October 2007 as well as on the information furnished during the meeting between the Commission services (DG Competition) and the Danish Ministry of Culture on 17 October 2007, I wish to inform you that the Commission services at this point found no material indication of an infringement of the EC Treaty or the Competition Directive (2002/77/EC) in the above matter.

Please note that the Commission services' position may change in particular if they obtain new information or if the future steps of the Danish government implementing the proposed measures lead to EC Treaty or the Competition Directive (2002/77/EC) infringement.

In this context I wish to underline that this letter has been prepared by the concerned Commission services and cannot be regarded as stating an official position of the European Commission.
